“Dot” Survey

What is your main reason for NOT walking or biking? Pick one.

What improvements would make you walk and bike more? Pick as many as apply.

- More and better sidewalks and paths
- Better wayfaying signs
- Better lighting and security
- Slower traffic
- Marked lanes on roads
- Better trip planning resources
- Employer or health insurance incentive
- More direct routes to services

If you currently walk or bike, or would like to walk and bike more, what is your main reason? Pick one.
